

# Advanced Wireless Communications Request for Programming

**Instructions:** Advanced Wireless Communications will provide FREE programming of your two-way radio or repeater purchase. Use this form to indicate the programming requirements for the radio. We require a valid FCC License (FRN# and Call Sign) to be able to program any frequency.

Return completed form to: [AWCsales@advancedwireless.com](mailto:AWCsales@advancedwireless.com) or FAX to: 952-469-0170

**Program Identification:** \_\_\_\_\_

(Reference name: ie: Shop Radios, Security Radios, etc)

Ch	TX Freq	TX PL Tone	RX Freq	RX PL Tone	FRN # and CALL SIGN	Notes

7						
8						
9						
10						

**Note:** Please use back side of sheet if additional space is needed. You may also send in a current two-way radio for us to read the programming from. Once programming is on file with us, you may indicate programming plan using the Program Identification in the comments section on any future order.

By my signature below, I certify that I am fully licensed and authorized to use the frequencies and licenses specified above. I understand that unauthorized usage of any FCC license or transmissions on an unlicensed/unauthorized frequency is illegal. Advanced Wireless Communications is not liable for the improper or illegal use of any products or services which it has provided. Advanced Wireless Communications reserves the rights to require Proof of Licensing or Written Authorization before programming any transmit frequencies on two-way radios or repeaters and/or the sale of programming software or programming cables.
