

Online Quick Ordering from Advanced Wireless

It's back! Our Online Ordering system is BACK! The new system will allow you to order your pre-approved items directly from our main website. Here is an overview of how it works:

NOTE: You must already be a customer of Advanced Wireless Communications and approved to order "On Account". ***We do not accept Credit Cards in the Online Ordering Form.***

The first time you use the online ordering, you will need to create an account. From the login menu, click on REGISTER.

A screenshot of the AWC Customer Portal login page. The page has a white background with a black border. At the top, it says "WELCOME TO AWC CUSTOMER PORTAL." and "PLEASE LOGIN TO CONTINUE." Below this, there are two input fields: "Email Address:" and "Password:". The "Email Address:" field has a small yellow and black icon on the right. The "Password:" field has a "Forgot Password?" link in red text to its right. Below the "Password:" field, there is a "Don't have an account yet?" link with a yellow "Register" button next to it. At the bottom of the form, there is a black "SIGN IN" button.

From here you will enter your email address and select a password:
